Erdem Ülker

Senior Product Designer · B2B SaaS, monetization and martech · Hamburg, Germany

hello@erdemulker.com +49 176 22568925 linkedin.com/in/erdem-ulker erdemulker.com

Senior Product Designer with 7+ years across B2B SaaS, ad tech, martech and consumer apps. I own design decisions end to end in cross-functional squads, on complex workflows where a wrong decision costs money: investigation tooling, configuration flows, promotions and design systems. I start with the data model and measure after release which assumptions held. Local Leader of the Interaction Design Foundation in Hamburg, running its events and workshops.

EXPERIENCE

Senior Product Designer • adjoe • Mobile games ad tech, B2B dashboards — Apr 2024 – Present

- Designed the user investigation platform for support teams on one event model: **56% less time per investigation**
- Rebuilt publisher setup after documenting 54 settings: **deal to release 7 to 5 weeks, +17%** settings in use
- Redesigned publisher onboarding: **new user revenue +19–48%** per publisher
- Reworked the install flow: **~70% fewer support tickets, $35K/month** saved per publisher
- Made the case to fund promotions (~10% of revenue); 2 new types, **+4–12%** revenue and retention
- Own the design system for 2 dashboards: tokens, 10 components, 200+ issues closed, **QA 3–4h to <1h a week**
- Led partner and user interviews; ran **20+ experiments** on ROI and retention

Senior Product Designer • Insider • Martech, customer engagement platform — Aug 2022 – Feb 2024

- Design owner for the Mobile Suite product area in a 20-person squad, from discovery to release
- Raised NPS **68 to 76** through the UX center initiative
- Ran **30+ usability tests,** raising UMUX above **80**
- Tightened design ops for the suite: handoff satisfaction **7.2 to 8.8**

Product Designer • Getir • Consumer super app — Sep 2021 – Aug 2022

- Launched car rental inside the super app: **conversion +46%,** registration time **-57%**
- Designed EU market features, including shopping lists: journey time **-62%,** satisfaction **+24%**
- Presented 8 key solutions to the founders and secured buy-in

UX & UI Designer • Koç University — Sep 2018 – Sep 2021

- Redesigned the campus app: **56% fewer IT support calls**
- Unified UI kits for **50+ tools;** onboarding time **-36%**

Visual Designer • Freelance — 2014 – 2017

- Branding and interface design for startups and NGOs

EDUCATION

Bachelor's degree, Media and Visual Arts • Koç University — 2014 – 2019

- Focus: visual design, animation, interaction
- Entered in the top 0.01% (8th among 100k+ candidates)

SKILLS AND CERTIFICATIONS

Domains: B2B SaaS, monetization, ad tech, martech, mobile games, internal tooling, data-heavy dashboards
Research: Product discovery, user research, usability testing, surveys, experimentation, metrics
Craft: User flows, wireframes, high-fidelity prototypes, UI and interaction design, design systems, Figma
Ways of working: Design ownership, cross-functional squads, workshops, stakeholder alignment
Approach: Systems thinking, data-driven decisions, AI-assisted design workflows (MCP, coding agents)
Languages: English, Turkish

Interaction Design Foundation, McKinsey Lead Forward, Udacity UX Nanodegree, IDEO U Hello Design Thinking
