Erdem Ülker

Senior Product Designer · B2B SaaS, monetization and martech · Hamburg, Germany

hello@erdemulker.com +49 176 22568925 linkedin.com/in/erdem-ulker erdemulker.com

I design the screens where someone decides something with money attached: investigation tooling, configuration flows, promotion systems and the design systems under them. 7+ years across ad tech, martech and a consumer super app, working end to end with product and engineering. I start with the data model and check after release which assumptions held. Local Leader of the Interaction Design Foundation in Hamburg.

EXPERIENCE

Senior Product Designer | adjoe • Rewarded ads, B2B dashboards — Apr 2024 – Present

- Built the user investigation platform on one event model: **56% less time per investigation**
- Rebuilt publisher setup around 54 undocumented settings: **deal to release 7 to 5 weeks, +17%** settings in use
- Redesigned publisher onboarding: **new user revenue +19–48%** per publisher
- Reworked the install flow: **~70% fewer tickets, $35K/month** saved per publisher
- Got promotions (~10% of revenue) funded; 2 new promotion types, **+4–12%** revenue and retention each
- Own the design system: tokens, 10 components, 200+ issues closed, **frontend QA 3–4h to <1h a week**
- Led partner and user interviews; ran **20+ experiments** on ROI and retention

Senior Product Designer | Insider • Martech platform — Aug 2022 – Feb 2024

- Led the Mobile Suite team from ideation to release
- Raised NPS **68 to 76** through the UX center initiative
- Ran **30+ usability tests,** raising UMUX above **80**
- Tightened design ops for the suite: handoff satisfaction **7.2 to 8.8**

Product Designer | Getir • Consumer super app — Sep 2021 – Aug 2022

- Launched car rental inside the super app: **conversion +46%,** registration time **-57%**
- Designed EU market features, including shopping lists: journey time **-62%,** satisfaction **+24%**
- Presented 8 key solutions to the founders and secured buy-in

UX & UI Designer | Koç University — Sep 2018 – Sep 2021

- Branding and interface design for startups and NGOs

Visual Designer | Freelance — 2014 – 2017

- Redesigned the campus app: **56% fewer IT support calls**
- Unified UI kits for **50+ tools;** onboarding time **-36%**

EDUCATION

Bachelor's degree, Media and Visual Arts | Koç University — 2014 – 2019

- Focus: visual design, animation, interaction
- Entered in the top 0.01% (8th among 100k+ candidates)

SKILLS AND CERTIFICATIONS

Domains: B2B SaaS, monetization, ad tech, martech, internal tooling, complex workflows, dashboards
Research: Product discovery, user research, usability testing, surveys, experimentation
Craft: Design systems and tokens, interaction design, prototyping, motion, Figma, LottieFiles
Collaboration: Cross-functional teams, end-to-end delivery, stakeholder alignment, design handoffs
Approach: Systems thinking, data-driven decisions, AI-assisted workflows (MCP, coding agents)
Languages: English, Turkish
